Royal Care Super Specialty Hospital, Coimbatore and
the Association of the Tamilnadu Members of
Royal College of Obstetricians and Gynaecologists
Organizes

CARDIOTOCOGRAPHY MASTERCLASS

On Sunday

November 25, 2018 @ 9.00 am
at Hotel Grand Regent,
Avinashi Road, Coimbatore.

Cardiotocography Masterclass

Electronic fetal monitoring forms an integral part of high risk Obstetric care. The role of CTG in the detection and prevention of Intrapartum Fetal hypoxia cannot be underestimated. CTG Masterclasses are popular across the globe and it is one of the Mandatory requirements for Obstetricians and Midwives for maintaining their continuing Professional development. The aim of this Master class is to help delegates refresh their knowledge on CTG, update them on the recent guidelines combined with Interactive case based discussions.
